

Wheelchair tennis is one of the fastest growing wheelchair sports and played all over the world. Wheelchair tennis clinics are geared toward people with mobility disabilities such as spinal cord injuries, amputees, spinal cord diseases, etc. Attend all clinics or just one! All player levels are welcome!

If you are an able-bodied person interested in volunteering at clinic and/or playing in Run/Roll games this coming Summer, please join us at the clinics or contact me for more details.
